Weight: 3500 KGS

The image contains two architectural drawings of a building.

Front view: A vertical section drawing showing the elevation of a building. The total height is 2500 units. The ground level is marked as ± 0.000 . The drawing shows a series of vertical panels or windows. The drawing is labeled with '1' at the bottom left and '2' at the bottom right.

Plan: A horizontal section drawing showing the floor plan of the building. The total width is 5800 units. The total depth is 2250 units. The drawing shows a layout of rooms, including a kitchen area with a sink and stove, a bathroom with a toilet and bathtub, and a living area with a sofa and coffee table. The drawing is labeled with 'A' and 'B' on the left side, and '1' and '2' on the bottom side. The drawing is labeled 'Plan' at the bottom center.

Seismic grade : 8
